Administration

To the Class of 1999:

As the Superintendent of Schools, I want to congratulate each of you for the extraordinary efforts and accomplishments you have made over the course of your high school careers. You have taken advantage of a wide variety of curricula and extracurricula offerings that have contributed to the development of your scholastic, social, and personal growth. Although you will be leaving D-R to expand your horizons, I trust that you will look back fondly on these formative years and remember the solid foundation you received from the Dighton-Rehoboth Regional School District. Best wishes for a lifetime filled with successful and challenging journeys!

Dr. Francis J. Connor
Superintendent of Schools

To the Class of 1999:

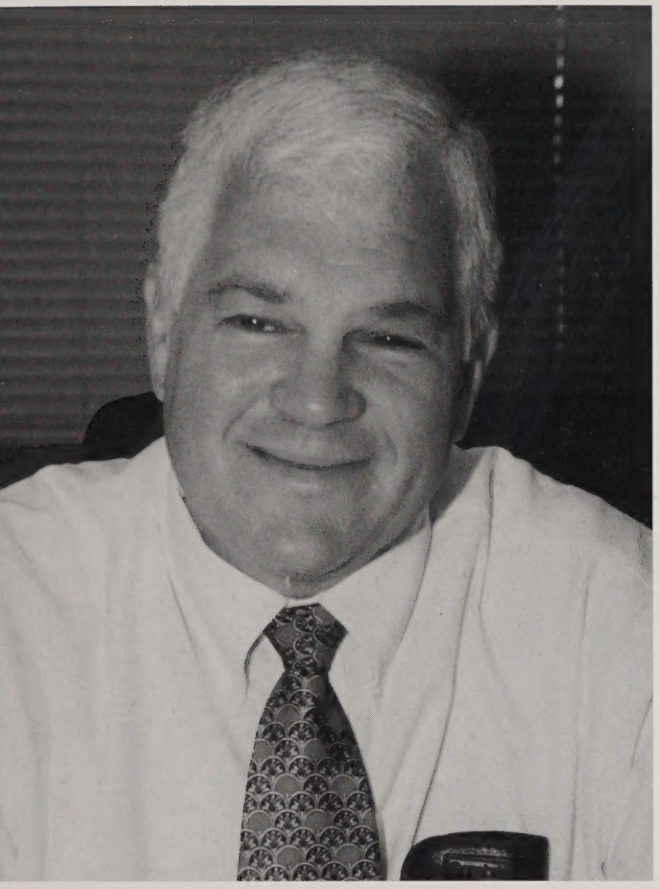
With your diploma in hand, you now enter a world very different from the one you just left. Life gets a little more serious as the carefree days of high school grow more and more distant. Now it's work, or college, or some other type of education. If it's work, will it be the kind of work you expected or will your expectations exceed the opportunities offered to you by your current employent? If it's education, are you prepared to do all that you will need to do to stay in school and earn a diploma?

Your life must take on a new urgency, a new diligence, a new purpose, for these next four years, whether in school or at work, will be the ultimate determinant for the rest of your life.

Can you handle that?

Mr. Trent R. Danella
Principal

Administration



To the Class of 1999:

Just as the world is about to enter a new millenium, you, the members of the Class of 1999, are about to enter a new and exciting chapter of your lives. The 1900's will soon become part of the past and so will your high school years. It is now time to focus on the future.

Whether you are going on to college, entering the work force, or enlisting in the military, you will need to learn new information and to develop new skills. Technology is changing the world we live in at a pace once thought unimaginable. To survive, you must be prepared to be a life-long learner. We are confident that you have been provided with that preparation and will build on the solid foundation you have constructed in your four years here at Dighton-Rehoboth.

I sincerely wish every single one of you the best of luck as you embark on this incredibly exciting journey into the future. May the roads you travel on this journey be paved with success, with good health, and with genuine happiness.

Mr. Glen Field
Assistant Principal

To the Class of 1999:

Best wishes to each and every one of you. As you leave Dighton-Rehoboth to make your way in the world, four years of hard work are now paying off for you. You are now going off to college, work, or to serve in the Armed Forces. As you continue with your life, I hope that you will look back with great pleasure on your time with us. I hope that you have enjoyed your years here as much as we have enjoyed having you here.

I hope that your future is filled with happiness and success.

Mr. Paul Giannakoulis
Assistant Principal

Administration

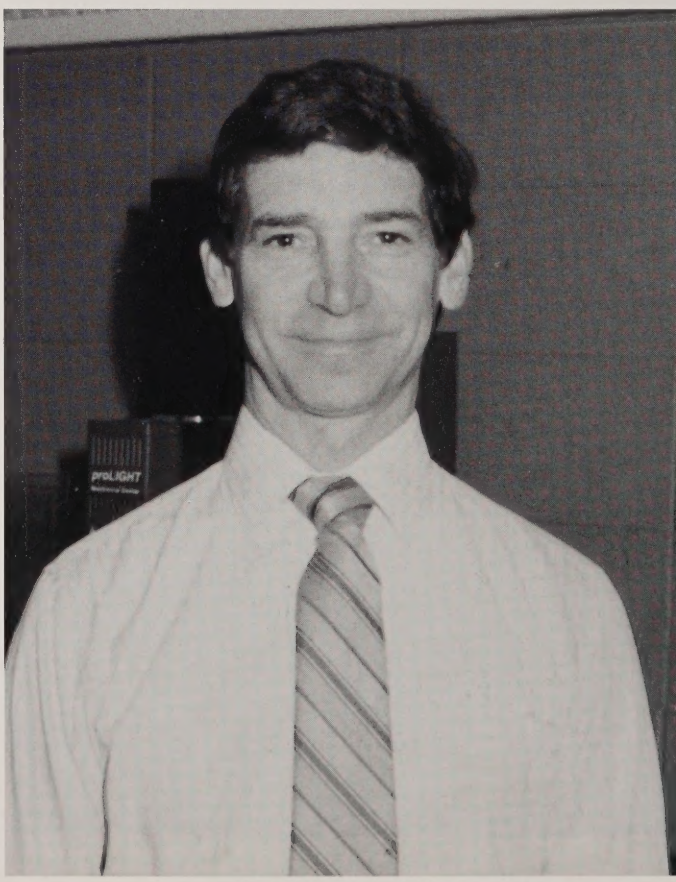
To the Class of 1999:

My congratulations to each of you as you graduate from high school and as you begin the next phase of your life. As you do, I have a thought for you:

"I expect to pass through this world but once. Any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again."

I wish you well today, tomorrow, and always. May you use your talents wisely and generously.

Mr. William Henry
Director of Guidance



To the Class of 1999:

It is with great pleasure that I extend congratulations to the Class of 1999. Dighton-Rehoboth Regional High School has played an important part in your life. In four short years, you have gained the knowledge and skills to build upon and to help you be successful in futue endeavors. Never limit your potential for success by being afraid to challenge yourself for fear of failure. Continue to learn and grow as you pursue your dreams. Work hard, but also enjoy life and your achievements. Be good to yourself and others around you and life will be good. I wish you the best of everything!

Art Club

Art Club provides an opportunity for students to explore new materials, crafts, etc. that would not be possible in class. The club meets once per week. Students formulate the club's agenda on a quarterly basis.

Some of the projects completed are the following: decorative paint finishes on furnature, paper sculpture, and paper making. Students also make sketch books for their own use.

Photography Club

The Photography Club is an informal group of students interested in learning the art of photography. Students/artists/photographers are instructed, on a weekly basis, on how to use the 35mm camera, take pictures, develop negatives, and enlarge and mount prints. Members of the Photo Club have access to D-R's dark room and developing facilities. Students are encouraged to take photos which express their individual creative interests, and allowed to work at their own pace. Students must provide their own 35mm camera.

Hoping to further students' understanding of French and the French-speaking world, the French club sponsors a variety of activities. The highlight of this school year was the French Exchange. October, several members of the club hosted a group of French students for a two-week home st This was the first time that the club was able to carry out a true exchange--hosting in the fall and visiting our sister school in winter. In October, French students from the Lycée Ile de France spe time living à l'américaine and visiting sights in Massachusetts, Rhode Island, and New York. Ou students were able to visit Paris, Versailles, and Tours, as well as share in their French families daily lives.

While Math Team does not sound very appealing to some, to those who have given it a try have come to realize that Math Team is a very fulfilling after-school activity. Math Team has about one meet every month from September to March, and at each meet, students take part in both individual and team rounds. Aside from the math meets, members also meet on a weekly basis and have a "study party" with food, games, and, of course, a little math! Participation in Math Team not only adds to one's mathematical knowledge, but it also gives members an opportunity to meet new people from numerous schools across Massachusetts, and it also teaches cooperation and team work. Those on Math Team have come to realize that "seven days without math makes one 'week' ('weak')."

GOLF TEAM

Season Summary

This years' Golf team stakes its claim for being perhaps the most successful team in D-R history. It finished the regular season with an overall undefeated record of 18-0. A second consecutive unbeaten league record, 16-0, resulted in a third straight South Coast Conference title. Individual S.C.C. All-Star honors were won by Jamie Sunderland, Greg Sunderland, and Tim Lang. Seniors John Murphy, Rusty Knowles, and Matt Mahoney closed out their careers with excellent play throughout the season. Next year's team, anchored by Greg, Tim, and Bridgette Palin and supported by an impressive cast of underclassmen, will be gunning for a fourth consecutive S.C.C. title.

CROSS COUNTRY

GIRLS'
CROSS COUNTRY

This year's Girls' Cross Country Team earned the best record of any previous team by its sporting an 8-0 South Coast Conference record, resulting in not only an undefeated season but also a championship. Led by senior captain Jane Hollinshead who was also a member of the S.C.C. Conference All-Star Team, the girls demonstrated both an agressive and an outstanding work ethic throughout the season. Assisting in the championship season were S.C.C. Conference All-Stars Heidi Anuszcyk, Krystal Anuszczyk, and Gabrielle Charbonneau. Honorable Mention runners Erika Hamilton and Kathryn Rose, also Novice Runner of the Year, contributed significantly to the stellar 8-0 record. In addition, seniors Kelly Estrella and Lisa King, juniors Kris Champagne and Kim Hawkins, and sophomores Kerri Grandmont and Alissa Rebello made measurable contributions to this year's effort.

With such a youthful and competent group of ninth and tenth graders, the Girls' Team for the next two years should be viable contenders for future championships in the S.C.C.

BOYS'
CROSS COUNTRY

The Boys' Cross Country Team, spearheaded by captain Nick Wilson, an S.C.C. All-Star, in addition to All-Stars David Mullert and Eric Fallows, both juniors, achieved both an S.C.C. Championship and another undefeated season with an overall record of 9-0, bringing the Boys' Team's six-year record to 61-4 overall and 46-2 in the S.C.C. Assisting in this year's record setting season were Honorable Mention senior Stuart Peloquin and senior Luke Holt; juniors Matt Fallows, next year's captain-elect, Mike Haskell, Jeff Sheehan, and Joel Windle. With strong running by sophomores Stuart Wilson, Scott Whittle, and Sean Moriarty, in addition to freshman Novice of the Year Frankie Joyce and other ninth graders Paul Geisser, Matt Lavoie, and Stephen Sypole, the potential for next year's team and for the next two years in the S.C.C. should result in creditable outings and potential championships.

FOOTBALL

Season Summary

The 1998 Falcon Football Squad earned a share of the SCC Title for the third consecutive year, and returned to the Super Bowl for the second time in three years.

The exciting season was defined by a sound thrashing of the previouisly undefeated Wareham, 34-12, in week eight of the season. The potent offense was lead by QB Erik Malaguti, ends John Gendron, and Mike Antonio and running backs Jake Hawksley, Renaldo Weeden, Chris Solas, and Joey Nees. A great defensive effort was lead by tackles Tony Almeida and Taylor Letherman, and defensive Don Hathaway.

For defeating Wareham, the Falcons earned a spot in the Division Four Super Bowl at Bentley College with an offense firing on all cylinders, the Falcons jumped out to a 28-0 second quarther lead, and coasted to a 34-12 victory over Bishop Fenwich of Peabody. QB Erik Malaguti tossed four TD passes, two to Mike Antonio and one each to John Gendren and Chris Solas. Jake Hawksley rushed for the final score. Linebackers Chris Messier and Brian Mullen each recorded an interception and shut the door on the Fenwick offense. The victory was the second in three years for the Falcons.

Boys' Soccer

Season Summary

The boys' soccer team experienced a tremendous season ending with a 15 win, 5 loss record -- the best record in the team's history! The team also broke school record for the most consecutive wins with six. The team was ranked in the Boston Globe's top twenty for four weeks.

In the state tournament, D-R scored a first round win over Southeastern, but lost 2-1 to Plymouth North in the quarter finals despite turning in a very solid perfomance.

The D-R soccer team would like to thank seniors Jay Freitas, Tony Nunes, Rob Arabian, Josh Gannon, Paul Alphonse, and Erik Thomsen for super leadership throughout the season. Jay Freitas and Erik Grossi were S.C.C. All-Star selections and Eastern Massachusetts Coaches Association All-Star selections. Da Castro and Tony Nunes w S.C.C. honorable mentio

Girls' Soccer

Season Summary

The 1998 season was the most successful in the six-year history of the girls' soccer program. Some of the most significant varsity team accomplishments include the following:

--our first S.C.C. championship
--the program's best overall season record
--being selected as the #1 seed in the Division II South Sectionals of the State Tournament
--being ranked sixth in the State by the Boston Globe

Led by their three oustanding team captains, Rachel de Castro, Kate Rourke, and Heather Sargent, the team demonstrated hard work, unusual play, good decision making, and terrific team spirit. It was a fitting end to a wonderful high school soccer career for our nine seniors who all participated in the program for all four years. Hollie, Erin, Rachel, Dill, Meghan, Kate, Heather, Tabitha, and Cirissa all contributed significantly to raising the level of play and establishing the D-R Girls' Soccer Team as one of the most respected in the state.

Season Summary

Although our record did not show it, we had a very successful season. Our victory over Case was the first ever in sixteen years. We also defeated Old Rochester, a team which ultimately placed second in the South Coast Conference. Best of luck to the Class of 1999, good luck to next year's girls' varsity volleyball squad.

Season Summary

The 1998-99 Winter Track season also proved to be extremely successful for the Boys' team as well as the Girls'. The boys posted an impressive 8 win 0 loss record over the winter to capture their second ever South Coast Conference Championship! The big meet of the season was, of course, Seekonk, on the Monday back from Christmas break. The boys proved their true mettle and dedication over the vacation by downing the Warriors 49.5 to 36.5. This marked the first time in 27 meets and 3 years that Seekonk had lost a dual meet in winter track. The team followed this success with some impressive individual performances on the State level. The relay team of Eric Robichaud, Dave Mullert, Luke Holt, and Nick Wilson established a new D-R mark in the 4 x 800 by running 8:16.35 and taking 4th at the exclusive McIntyre New England Relays Invitational. Robichaud, Holt, and Mullert also teamed with senior Renaldo Weeden by setting the new 4 x 400 relay mark of 3:37.51 breaking the old mark by 0.2 second. Mullert also broke the 1-mile record twice this winter, ultimately lowering the time to 4:29.99. Wilson also chimed in with lowering the 2-mile mark twice ultimately running 10:08.30. Amazingly, the old mark had stood on the D-R books for 24 years!!!

At the State Class C Meet, Dave Mullert, Renaldo Weeden, and Nick Wilson all placed in their respective events allowing them to represent the school at the All-State Meet during the February vacation. Despite the recent success for D-R, the boys' teamis made up of many underclassmen. This speaks to a bright future for the boys' in upcoming years as long as they follow the work ethic and commitment of the graduating seniors.

Season Summary

The1998-99 season proved to be the most successful for the D-R falcons winter track team ever! The girls posted their first ever SSC championship tying with Seekonk and Apponequet at 6 wins and 1 loss. The season started with an exciting final event victory over the Apponequet Lakers in early December. The girls then handled Wareham and Voc-Tech easily before dropping a heartbreaker to Seekonk on the Monday following Christmas vacation. Once again the meet came down to the ever- thrilling 4x400 relay, yet the Falcons were on the short side this time. The girls clossed out the season with easy victories over the rest of the SCC, including a 61-25 drubbing of Old Rochester, the defending SCC champs. The lone Seekonk loss was avenged with a little help form Apponequet as they edged Seekonk by 1 point in the last week of competition to secure a tri-champi-onship for the three schools. The Falcons used their lone season setback and a disapointing, albeit tough third place finish in the SCC meet as motivation onging into state class competition. On Saturday, February 13, at the Reggie Lewis Center in Roxbury, MA the Falcons demonstrated that hard work and determination do really pay off as the girls captured the first State Track Title in school history!!! The girls pulled off a remarkable one point upset over Stoneham H. S. by finishing third in the 4x400 relay and smashing the school record in the process.

Along the way the girls have established five new school records, (they have tied or broken five marks fourteen times this season!!!). Additionally, the girls can boast of three seperate individual State Class C championships, one individual All-State champion, and the State Pentathlon champion. Truly, this has been a season in which the girls dedicated themselves to overcome some adversity on several different occasions to arrise to new heights. Hopefully, this attitude will continue for a very bright future of D-R track.

Baseball

SEASON SUMMARY

The 1999 Baseball Team shocked the South Coast Conference by winning their fifth consecutive title. The team was led by All-S.C.C. performers Matt Mahoney (.441, 3 HR, 24 RBI), Ray Kenney (.414, 22 RBI), and Greg Merchanthouse (5-1, 2.10 ERA) The team's strengths included its excellent infield defense along with a team batting average of .353 and a team earned run average of 3.50. Jay Freitas (.400, 18RBI) and Randy Kenney received honorable mention all-star status.

Boys' Tennis

Season Summary

The boys' team continued to have success in the S.C.C. despite a last minute coaching change. The boys followed an undefeated (14-0) championship season in 1998 with a 13-1 (16-1 overall) record and a share of the S.C.C. Championship. Senior Captain Mike Antonio (14-2) had another great year on and off the court, displaying the maturity and leadership critical to a team's success.

SEASON SUMMARY

The Boys' Falcons' Track Team did not experience its typical spring season, achieving a creditable, yet "below average," record based upon its past seasons. The season was highlighted by the school record-setting mile run of junior David Mullert, who established a new record of 4:28.5, eclipsing the previous record of 4:30.5. Senior co-captain Jake Hawksley demonstrated his athletic prowess both on the track and in the field with his horizontal jumping ability and his sprint speed in the 100 meters and in the 400 meter relay. Also, senior co-captain Renaldo Weeden sufficiently manifested his dominance of the 300 Intermediate Hurdles and in the 110 High Hurdles, being undefeated in the former and the South Coast Champion and posting an outstanding time for the latter in 15.8.

With the return of juniors David Mullert, Michael Haskell, Matthew and Eric Fallows, Joe Nees, and Andy Silvia; sophomores B.J. Weeden, Joe Otis, Eric Robichaud, and Andy Hagopian; in addition to freshmen Frankie Joyce, Ryan Burt, and Steve Sypole, next year's Falcons could be a legitimate contender in the South Coast Conference if only they could recruit some weightmen to buttress the patent weaknesses in the throwing events.

Girls' Spring Track

Season Summary

The 1998-99 Girls' Spring Track Team posted a history-making year by going undefeated in both the South Coast Conference and overall.

Two school records were broken by senior Kerri Coleman in the Javelin and junior Nicole Parker in the Triple Jump. The squad was 54 girls strong with seniors Katie Carignan, Kelly Estrella, and Tab Stevens leading them in their second season as Tri-Captains.

Congratulations ladies and best of luck to our 12 seniors.

Robert T. Roy Medal
Heather Berthiaume

The Robert T. Roy Medal is presented annually to the outstanding member of the senior class, the student who best demonstrates in his or her daily living those qualities exemplified and exhibited by Mr. Roy in his years of dedicated public service. These qualities are: scholarship, honesty tempered with compassion, loyalty circumscribed by sportsmanship, and dedication leavened by insight, humor, and achievement.

Heather will be attending Connecticut College in the fall. While she is undecided about a major, she has expressed an interest in several health-related fields including physical therapy and speech therapy.

James F. Frates Award
Dawn Tavares

This award was established in 1979 in recognition of an outstanding educator, Mr. James Frates, who dedicated nearly all of his professional life to serving the people of Dighton and Rehoboth. The award is presented to the member of the National Honor Society who best exemplifies those qualities of membership.

Dawn, who is this year's president of the National Honor Society, will be attending Providence College in the fall, but she is undecided about a major at this time.

DENTON-REHOBOTH

A final word from the editor:

Dear Seniors,

Just think... Only four short years ago, we were merely scared, little freshman. As I look back, I realize how far we've come. Each of us has matured into an older, "wiser" person. As we enter the "real world", we must be sure to remeber the lessons we've learned at D-R.

I sincerely wish the best of luck to everyone in the future. Immerse yourself in a world without bathroom monitors, hall passes and Channel One News. Enjoy your future, but don't ever forget your days at D-R. As the millenium comes to a close, I know that they saved the best cless, the Class of 1999, for last.

Without the help of assistant editors Beth Rose and Kathryn Patterson, this yearbook would have never been possible. I would like to give them my sincerest thanks. I would also like to thank Melissa Gevovesi, Kerri Coleman, Kate Stafford, Kathryn Rose and Melissa Barbehennn.

Special thanks go out to:

Ms. Sharon Conley of T.D. Brown Studios

Mr. Arnie Lohman of Josten's Publishing

Mrs. Sharon Araujo and the office staff

Mr. Harwood, yearbook advisor

Sincerely,

Dawn Tavares, Editor
